WEST

For nearly four decades, we've provided over 90,000 flights for people to access medical care - and now we are eager to help you.

Request a Flight

Flights can be requested by healthcare and social workers, family members, and by the individual themselves.

Angel Flight West provides air travel within and across **12 Western states:** Alaska, Arizona, California, Colorado, Hawaii, Idaho, Montana, Nevada, Oregon, Utah, Washington, and Wyoming.

Angel Flight West **passengers will never be charged** for any service. Your flights will be scheduled to accommodate your medical appointment. And you can travel with us as many times as you need.

Passenger Stories

"Angel Flight West has helped me deal with anxiety. Because **the thought of having to drive to all of these (medical) appointments as often as we would have? I wouldn't have been able to do it.**"

-Kimberly Speakman, mother of a child with a heart condition

"**A one-and-a-half hour trip is totally different than four-and-a-half or five hours** when you're feeling bummed to begin with. (AFW) has been a lifesave, really."

- Sylvia, Cancer survivor

Sometimes, the road to health, is a runway.

Mission

Angel Flight West delivers health and hope using donated flights to serve those with healthcare or other compelling human needs.

In the air, Angel Flight West links volunteer pilots and commercial airlines with people whose non-emergency health needs require air transportation to access care.

Visit our website to learn more about flights we offer for other compelling human needs: www.angelflightwest.org.

Qualifiers

Passengers must be medically stable, able to walk, fly in a non-pressurized plane, and be able to sit up in a seat with a seatbelt fastened around them. We will need a medical release from your physician before your trip.

Though our flights are generally **900 miles or fewer**, we can sometimes accommodate longer flights, especially for passengers in Alaska.
