Ending human trafficking in Washington State

HUMAN TRAFFICKING

Human Trafficking is a crime that involves exploiting a person for labor, services, or commercial sex.

Sex Trafficking

a)Sex trafficking is the recruitment, harboring, transportation, provision, obtaining, patronizing, or soliciting of a person for the purposes of a commercial sex act, in which the commercial sex act is induced by force, fraud, or coercion, or in which the person induced to perform such an act has not attained 18 years of age.

The term 'commercial sex act' means any sex act on account of which anything of value is given to or received by any person.

Commercial Sexual Abuse of a Minor

Also known as CSAM is when a person solicits, offers, requests to engage, or provides anything of value to a minor or a third person as compensation for a minor having engaged in sexual conduct with him or her. (RCW 9.68A.100)

Consent of a minor to a sexual act does not constitute a defense to this offense.
